Dear Sirs/Madams,

We acknowledge, with thanks, seven crates of Chemistry books and periodicals, which the Canadian Society for Chemistry and other donors have so kindly donated to the University of Guyana Library.

The University of Guyana Library was established as the support arm of the University of Guyana in the areas of curricula, teaching and research. The Library can only fulfil its mission by receiving support from donors like you.

On behalf of the University of Guyana, we thank you for your thoughtfulness in donating these publications, which will certainly enrich our Library's Collection in the present thrust of enhancing the curricula in Science and Technology to drive the developmental needs of Guyana.

Best wishes.

Yours sincerely,

.....
